Description

Au Small Finance Bank Recruitment 2023

A customer support voice post is a position that entails providing customer support through spoken interaction. This may include answering customer's questions, helping them troubleshoot issues with their product, or handling returns and/or refunds.

Jobs Near Me

The customer support voice post may also require upselling products or services to customers, as well as providing product information. This position generally requires excellent communication skills, both written and oral. In addition, the customer support voice post may require knowledge of the company's products and services, as well as the ability to problem solve.
