Description

Sun Pharma Jobs 2023

Job Title: Pharmacist

Location: Delhi

Reports To: Head of Pharmacy

Summary:

We are looking for a highly motivated and experienced Pharmacist to join our team. The ideal candidate will have a strong understanding of pharmacy principles and be able to provide safe and effective medication management to patients. They will also be able to work independently and as part of a team to achieve pharmacy goals.

Responsibilities:

- **Provide medication counseling to patients:** This includes reviewing patient medication lists, answering questions about medications, and providing education about safe medication use.
- **Dispense medications:** This includes verifying prescriptions, preparing medications, and dispensing medications to patients.
- **Maintain inventory of medications:** This includes ordering medications, tracking inventory levels, and ensuring that medications are stored and dispensed safely.

- **Other duties as assigned:** This may include participating in training programs, and providing guidance to other pharmacists.

(adsbygoogle = window.adsbygoogle || []).push({});

Skills:

- **Excellent knowledge of medications:** This includes being able to identify medications, understand their uses, and potential side effects.
- **Strong communication and interpersonal skills:** This includes being able to communicate effectively with patients, physicians, and other healthcare professionals.
- **Attention to detail:** This includes being able to follow procedures accurately and ensure that medications are dispensed correctly.

Qualifications:

- **Bachelor's degree in Pharmacy:** This is required.
- **1+ years of experience in pharmacy:** This is preferred, but not required.
- **Registration with the Pharmacy Council of India:** This is required.
